Einzellader

Walnut stock:

Anatomically perfect lacquered walnut stock with stippled checkering.

Rubber butt plate:

The vertically adjustable rubber butt plate combined with the interchangeable spacers allow an individual adjustment of the length. The rubber butt plate fits the shoulder very well. No slip properties due to a special rubber composite and special pattern.

Aluminum rail on the stock:

For accessories such as hand stop with sling swivel, palm rest, forend raiser block or forend support.

ANSCHÜTZ match barrel:

Cylindrical match barrel with extraordinary shooting performance manufactured by the renowned ANSCHÜTZ special process which has been improved again and again.

Match 64 action:

The famous ANSCHÜTZ match 64 cylindrical action with sliding safety catch is robust and of high quality.

Safety:

Protects your target gun from inadvertent shot release.
